

Technical and Social Activities - June 14th

SARAS Technical Tour

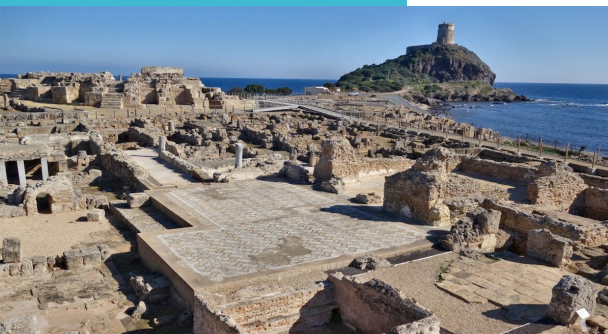

Founded in May 1962 by Angelo Moratti with the name S.A.R.A.S. (Società Anonima Raffinerie Sarde), the Group has evolved over time by changing its operating model and competence areas with the aim of creating value, while paying attention to the environment and innovating. Today, the Saras Group is one of the leading independent players in the European energy and refining industry. It is among the top 10 Italian industrial groups and is the third-largest economic entity in the Oil & Gas sector and the largest company in Sardinia. Enjoy a 2-hour tour with the opportunity to be welcomed by company managers who will give a brief introduction and guide you through the industrial site.
