Visiting Researcher

Husserl Archives – KU Leuven

May – July 2025

Research period devoted to the study of Husserl’s unpublished manuscripts, with particular attention to problems of temporality, passive synthesis and the phenomenology of the unconscious.

Speaker — 5th International Research Summer School in Genetic Phenomenology

Warsaw, 15–19 September 2025

Talk: “Traces and Temporality: The Unconscious as Genetic Synthesis in the Constitution of the Personal World.”

Speaker — Conference: I sogni dei filosofi

Rome, 24–26 January 2025

Talk: “Il sogno come fenomeno di sprofondamento: schizzi per una fenomenologia dei vissuti onirici”

Speaker — 4th International Research Summer School in Genetic Phenomenology

Warsaw, 5–9 August 2024

Paper: “Dream and Lifeworld: A Genetic Perspective on the Phenomenology of the Unconscious.”

Participant — PhenoLab Summer School Applying Phenomenology: How, Why and When

3 June 2024

Member

ORF – Officina di Ricerche Fenomenologiche

Interuniversity research group.

Teaching Tutor

University of Pisa

Course: Aesthetics (BA in Philosophy)

Professor: Prof. Alberto Leopoldo Siani

Period: 20 September – 23 December 2021

Responsibilities:

- Assisted students in course preparation
 - Led discussions and reading groups
 - Provided academic support during tutorials
-

Editorial Activities:

- Participation in the partial Italian translation of selected texts from Husserl’s C-Manuscripts, carried out within the research activities of the group Officina di Ricerche Fenomenologiche (ORF).
 - Development of the glossary entry “Anonymität” for the critical glossary accompanying the Italian translation of the manuscripts.
-

Languages

- Italian: Native speaker
- English: Advanced (academic reading, writing and translation)
- German: Good reading knowledge (philosophical texts)
- French: Good reading knowledge (philosophical texts)
